DETAILED ACTION

1. This Office Action is in response to RCE received 26 September 2005 and Amendments and Remarks received 17 August 2005. Per Applicant's request, claims 1, 3, and 24 have been amended. Claim 17 has been canceled. Claims 1-16 & 18-25 are pending.

Allowable Subject Matter

2. Claims 1-16 & 18-25 are allowed (renumbered in order).
3. The following is an examiner's statement of reasons for allowance:

Regarding independent claim 1, as Applicant has noted on page 9, last paragraph and page 10 2nd paragraph, Levine and other cited prior arts, taken alone or in combination, fail to disclose:

"a full system monitor configured to...monitor and calculate a frequency of use of each bit in said one or more hardware registers and said one or more firmware registers" in combination with "one or more trigger signals is generated by a first comparator circuit."

Similar limitations are recited in all other independent claims, claims 24 and 25. Thus, all remaining dependent claims, claims 2-16 & 18-23, are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
